

Safer & Smarter Together

Ensure lights are off when you leave, and never return home to a dark house.

Leviton and Schlage have joined forces to integrate their Wi-Fi products so users can activate lighting when locking and unlocking their door. Both companies are well known, trusted brands that have been around for over a century.

Decora Smart Wi-Fi

- Works with Amazon Alexa™, Google Assistant or Apple Siri® (2nd Gen only)
- Control lights from anywhere using the My Leviton app; no hub required
