Decora Smart Wi-Fi 4-Button Controller

Easily adjust all Decora Smart Wi-Fi lighting devices with one button press. Perfect for entryways, bedrooms and living areas to control room scenes or whole house lighting with custom buttons like “Movie Time” and “All Off”.

Decora Smart Switch

Control lights from anywhere using Wi-Fi and the free My Leviton app; no hub required. Voice control is seamless using Amazon Alexa and Google Assistant devices.

Smart Plugs

Plug-in devices offer flexibility to dim plug-in lamps or turn electronics or appliances on/off. Users can customize their experience to create the perfect ambiance for any occasion.

Decora Smart Voice Dimmer with Amazon Alexa Built-in

Alexa in a dimmer! Full range premium dimmer with the power of Alexa built-in. Users can fully automate their lighting with voice control while enjoying the benefits of Alexa including music streaming, news updates, shopping and more.

Decora Smart Tamper-Resistant Outlet

This is the easy way to enable smart control of plug-in lamps, holiday lighting and small appliances in kitchens, home offices, and living areas.

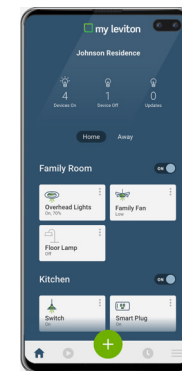

Decora Smart Fan Speed Controller

Residents can relax and use their voice, an app, or schedule to adjust ceiling fan speed. With four speeds to select from, it's an excellent addition to home gyms or rooms with tall ceilings.

Decora Smart Dimmer

Take traditional dimming a step beyond. Homeowners will enjoy dimming and brightening lights, creating scenes and customizing their experience all via app.

Take Control of Your Home with the My Leviton App
