

California Electric Vehicle Charger Rebates & Incentives

NOTE: Some programs may overlap due to common funding and/or sub-program determination.

Rebates and incentives are subject to change. For the latest information, reference leviton.com/evcharging.

Program Title	Application	Does Leviton Qualify For It?	Incentive Description	
Electric Vehicle Supply Equipment (EVSE) Rebate Azusa Light & Water	Residential	Yes, all EV Series chargers	\$150 rebate to customers for the purchase of an ENERGY STAR certified Level 2 EVSE	
Utility Program			Status: Active	Last Update: 1/1/24
Program Link: https://www.ci.azusa.ca.us/1625/Plug-In-Electric-Vehicles				
Residential Plug-in Electric Vehicle (PEV) and Electric Vehicle Supply Equipment (EVSE) Rebates - TID Water & Power	Residential	Yes, all EV Series chargers	TID customer for a Level 2 up to \$300	
Utility Program			Status: Active	Last Update: 1/1/24
Program Link: https://www.tid.org/customer-service/save-energy-money/rebates/residential-ev/				
EV Charger Rebates - Liberty Utilities	Residential, Commercial	Yes, all EV Series chargers	Residential: Level 2 up to \$1500	
Utility Program			Status: Active	Last Update: 1/1/24
Program Link: https://california.libertyutilities.com/portola/residential/drive-electric/ev-charging-rebates.html				
Residential Electric Vehicle Supply Equipment (EVSE) Rebates Anaheim Public Utilities (APU)	Residential	Yes, all EV Series chargers	\$500 for a Level 2 EV charger for customers NOT participating in one of the Utilities Networked Time of Use (TOU) programs or EV Rate programs	
Utility Program			\$1,000 for a networked charger and the customer must also sign up for any available time-based rate, as applicable	
Program Link: http://www.anaheim.net/593/Personal-EV-Charger-Rebate				
Residential/Commercial Electric Vehicle Supply Equipment (EVSE) Rebate - Burbank Water and Power (BWP)	Residential, Multi-dwelling, Commercial	Yes, all EV Series chargers	Residential customer: \$200 for a standard charger; \$500 for a smart charger; & \$750 for panel upgrade (Max rebate \$1250)	
Utility Program			DAC customer: \$300 for a standard charger; \$600 for a smart charger; & \$900 for panel upgrade (Max rebate \$1500)	
Program Link: https://www.burbankwaterandpower.com/electric-vehicles/residential-ev-charger-rebate				
Commercial: up to \$15,000 per charging station				
			Status: Active	Last Update: 1/1/24

Program Title	Application	Does Leviton Qualify For It?	Incentive Description
Alameda Municipality Power Rebates and Incentives for Electric Vehicle Charger	Residential	Yes, all EV Series chargers	Up to \$500 for a Level 2 charger
Utility Program			Status: Active Last Update: 1/1/24
