

The Trusted Name on the Dock

Powering marinas, docks, and waterfront facilities with trusted electrical solutions, designed to perform in harsh marine environments.

EVERY ACCESSORY FOR TODAY'S DOCK

EXCEPT THE BOAT

For over a century, Leviton has been a trusted name in electrical solutions. With the integration of International Dock Products, Leviton plays a major role in dockside power and marina infrastructure, bringing together dependable electrical products and reliable dock equipment in one cohesive offering.

MARINE POWER PEDESTALS

- An all-in-one dockside power solution
- Supports power, water, metering, and lighting in one pedestal
- Built for durability in harsh environments
- Fully customizable to meet marina requirements

METALLIC DESIGN

STORM-READY
NON-METALLIC
OPTIONS

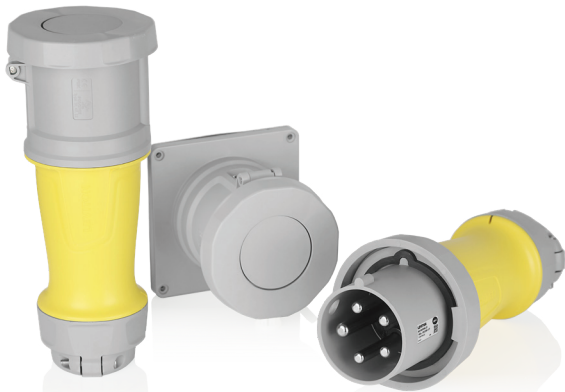

COMPLETE THE DOCK

- Dockside Ladders – Precision-constructed ladders designed for durability and secure access
- Dockside Fenders – Durable fender solutions designed to help protect dock structures and boats
- Additional Dock Accessories:
 - Cleats
 - Piling caps
 - Line hangers
 - Hose and cable holders
 - Lighting
 - Fire pedestals
 - And more!

POWER SOLUTIONS:

LEV Series Marine Grade Pin & Sleeve

The industry's only ABYC certified pin & sleeve

Powerswitch Safety Disconnect Switches

Corrosion-resistant, convenient means to shut off power at the dock, supporting safe operation and maintenance

Corrosion-Resistant Wiring Devices

Rugged, impact-resistant construction to help withstand moisture, chemicals, and heavy use. With flexible cord clamp sizes, they support reliable performance and easy installation.

Wetguard™ Watertight Devices

Protect electrical connections from moisture and corrosion

Weatherproof Covers & Boxes

weather-resistant enclosures designed to help safeguard electrical devices exposed to water, salt air, and challenging outdoor conditions
