LEVITON®

Smart Merchandising Options

For Electrical Distributors

Table of Contents

The Counter

The counter is one of the most valuable areas in a distributor's location. Maximize your sales at the "Point Of Sale", load your counter space with merchandising that matters. Keep impulse items and the latest hot products right at your customers fingertips when they're already prepared to buy.

Product Displays

Product Merchandisers

Counter Signage

Standalone 3-Product Countertop Display

Put actual product at your customers fingertips, right at the counter.

This flexible, customizable counter display does just that for your choice of the latest box-mounted Leviton products. Can be used as a standalone display or with the optional base for merchandising.

Display kits include:
