

Retail Solutions

Enhancing the way you shop with
with Smart Lighting & Controls

Smart Retail Lighting & Controls

Enhance the way you shop

- Appeals to the sense and taste
- Influences the purchasing decision
- Impacts customer's attention
- Promotes retail brand

Retail Control Applications

Window Displays

- Creates an inviting first impression
- Captures customer's attention
- Highlights merchandise and branding

Sales Floor, General Illumination

- Influence customer's moods and emotions
- Creates contrast and drama for spaces requiring more personalized sales assistance
- Communicates maximum value for high activity self-service spaces

Sales Floor, Accent / Perimeter

- Provides visual sharpness for examining merchandise and reading labels
- Accentuates merchandise and branding

Fitting Rooms

- Promotes a positive perception for customers trying items on
- Targets soft, yet even illumination as the goal

Check Stands

- Provides a simple, appealing, and stress-free exit
- Generates a comfortable and positive atmosphere

Offices / Auxiliary Spaces

- Establishes a comfortable and productive atmosphere
- Ensures glare-free illumination
- Meets energy code requirements

Storerooms

- Ensures instant visibility
- Allows employees to perform required operations
- Provides occupancy sensing and energy savings for less trafficked areas

Submetering Solutions

- Measure, monitor, and manage energy usage to meet energy codes and improve bottom lines
- Meter energy consumption from individual lighting circuits and HVAC panel to entire building
- Use energy data to identify additional energy saving opportunities across multiple locations
