LEVITON®

THANK YOU FOR PURCHASING THESE CUSTOM LABEL KITS.

Software for printing on these labels can be downloaded from: http://www.Leviton.Com/CustomLabels ; or from the software Section of the Library at www.Leviton.com.

When using the software, please keep the following points in mind:

- Perform the calibration process prior to trying to print labels and for each different printer you will use
- Use the 'D4200 Label 1' template for 1 button stations, D4200 Label 2' template for 2 button stations, etc.
- The templates starting with "Label" are incompatible with this kit
