

Distribution Equipment Floor Pockets Designed for theatrical and studio applications

Leviton's floor pockets are the most rugged in the industry, and are designed for use in theatres, television studios, and other spaces where distribution of power to lighting circuits is required. Our Distribution Equipment offers standard and complete custom options for any configuration.

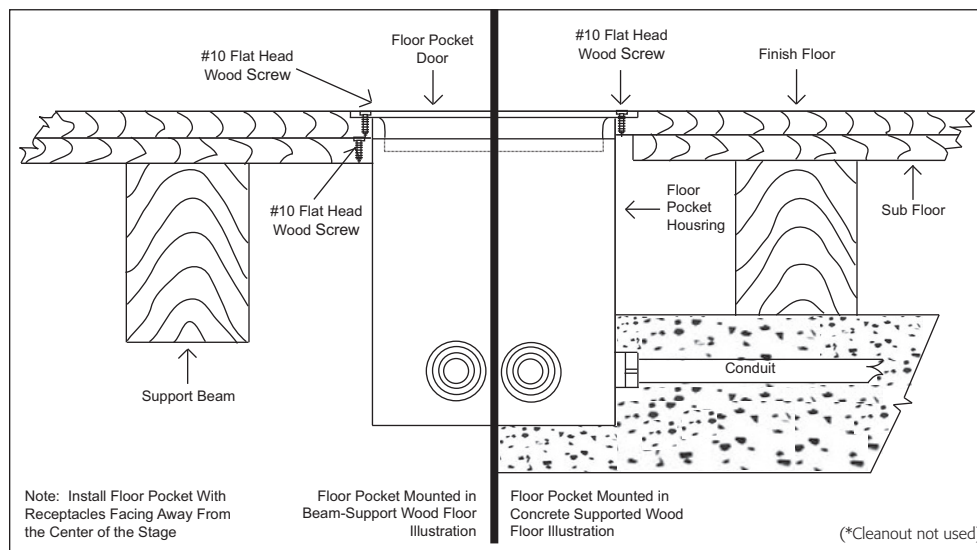

FEATURES

- Superior strength 3/8" (9.5 mm) cast iron cover plate
- Non-skid tread
- Cable opening to handle full size 12/3 cables
- Angled receptacles so cable exits without kinking and lies flat to the floor
- Two box sizes, up to six receptacles
- Voltage barriers available upon request
- Self-closing hinged door with 2 or 4 cable slots will not open accidentally
- Black finish
- Suitable for mounting in concrete or wood
- Includes a hinged, self-closing "clean-out" opening*
- Equipment ground bonding jumper between back box and cover is provided
- UL listed #E151877
- Limited 2-year warranty
- Environmental specs:
 - 0°-40° C (32°-104° F)
 - 0-90% non-condensing humidity
