## How to Uninstall a Relay Card

**Product:** EZ-MAX Plus and Z-MAX Product Families    **Article ID:** 100609-RLL/AM-02

**Date:** October 6th , 2009

**Summary:** This article explains the proper method for uninstalling relay cards within an EZ-MAX Plus, Z-MAX, and/or Z-MAX Plus relay panel.
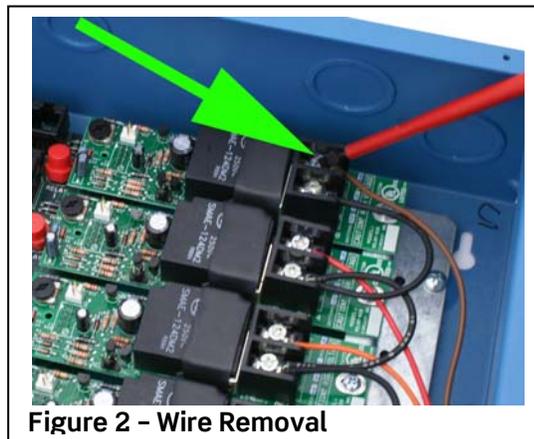

**Information:**

### Uninstallation

**Step 1**: Turn off main feed and all branch breakers feeding the relay panel.

**Step 2:** Open relay panel **(Figure 1)**.

**Step 3:** Disconnect line and load wire **(Figure 2)**.
