Leviton Manufacturing UK Ltd – Datacom products

REACH Statement

With the exception of the product group listed below this document certifies that all remaining Leviton Manufacturing UK Ltd datacom products do not contain >0.1% w/w of any of the substances of very high concern (SVHC's) as listed by the European Chemicals Agency under the provisions of EU Regulation No. 1907/2006 including the candidate list of 247 substances that was released in January 2025 and are therefore fully compliant with the REACH Directive.

Leviton Manufacturing UK Limited are aware of the divergence between UK and EU REACH and continue to review compliance in line with the EU update periods of January and June.

All Leviton Manufacturing UK datacom products remain compliant with UK REACH

RoHS Statement:

Leviton states that we only use qualified material manufacturers in the above products, whose specification meet or exceed the requirements of the European Directive for the Restriction of use of certain Hazardous Substances (RoHS) that were introduced in July 2006, and includes the recast requirements laid down in Directive 2015/863 (the EU RoHS 3 directive).

Our materials manufacturers have advised us that they fully understand the environmental Regulation and that the above products do not include any of the 4 listed phthalates above the 0.1% threshold.

The above products remain compliant with all ROHS requirements without the need for exemptions.

Blo-lite cable products

Our suppliers have informed us that materials used in the coating of Blo-lite fibre products contain diphenyl(2,4,6-trimethylbenzoyl)phosphine oxide (CAS # 75980-60-8) in quantities > than the 0.1% w/w threshold as laid out in Article 33 of the REACH. The substance is embedded in the final product and is not intended, or expected, to be released under normal or abnormal operating conditions.

A copy of the relevant Safety Data Sheet, which includes all safety information, is available on request.

A handwritten signature in black ink, appearing to read "T. Jackson".
