

## **QUICKPORT™ Identification Window Screw Covers**

### **APPLICATION**

Easy-to-use QUICKPORT Identification Window Screw Covers are compatible with all Leviton stainless-steel and angled wallplates and housings with ID windows. QUICKPORT Identification Window Screw Covers come with 10 pieces per bag.

### **FEATURES & BENEFITS**

- Color-matched to Leviton wallplates to hide wallplate screws when identification is not necessary
- Can be used to hold space (along with Blank QUICKPORT Inserts, 41084-0Bx) for future growth expansion
- 42080-SCx is compatible with flat plastic QUICKPORT Wallplates
- 42081-IDx is compatible with all Leviton large connector, stainless-steel, and angled wallplates with ID windows

### **DESIGN CONSIDERATIONS**

- Compatible with QUICKPORT wallplates with ID windows
- Alignment and snap-in feature for easy installation

### **MECHANICAL SPECIFICATIONS**
