

Grommet Accessory Pack

APPLICATION

Grommets provide protection for incoming cables through knockouts on Leviton STRUCTURED MEDIA™ Center enclosures. Grommets can be cut to accommodate differing cable sizes and opening requirements.

FEATURES & BENEFITS

- Pack includes grommets for one- and two-inch knockouts
- Guided score lines on grommets make it easy to cut openings for cables

DESIGN CONSIDERATIONS

- Grommets fit in one- and two-inch trade-size knockouts in STRUCTURED MEDIA Centers

STANDARDS & REGULATIONS

- RoHS
- c(UL)us Listed, UL 985

MECHANICAL SPECIFICATIONS

Dimensions: See below
 Materials: Rubber, black

SPECIFICATION

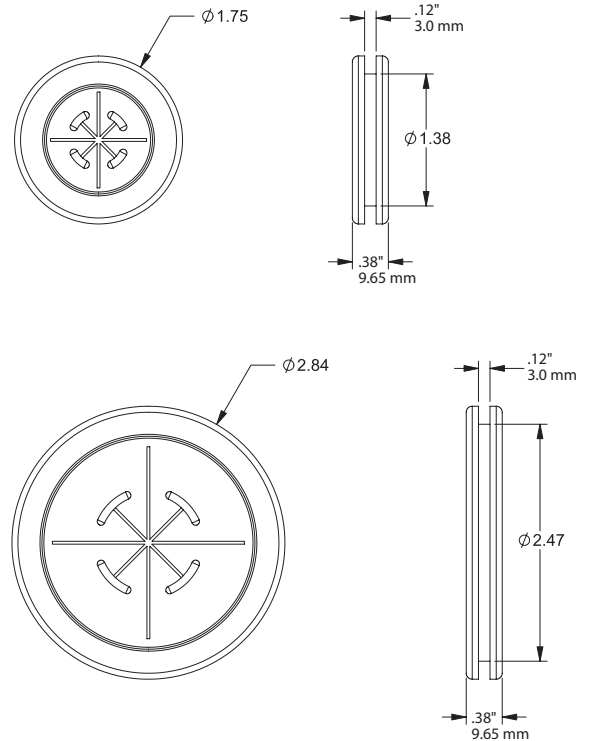

Grommets shall be made of black rubber. Grommets shall fit one- and two-inch trade-size knockouts on Leviton STRUCTURED MEDIA Centers. Grommets shall be scored for small or large openings to be cut.

COUNTRY OF ORIGIN

USA
