

Telephone Decora® Inserts

APPLICATION

Leviton Decora telephone inserts are ideal where telephone connections are needed. Screw terminals ensure that the telephone connections are secure and reliable through the life of the product. Decora inserts are compatible with Leviton's extensive line of Decora wallplates resulting in a neat, professional finish. These durable telephone inserts are available in a variety of colors.

FEATURES

- Decora form factor makes moves, adds, changes easier
- Screw terminal connections provide flexible, secure, and reliable performance
- Smooth finish matches Leviton's existing Decora wallplates for a consistent look throughout the home or business
- Includes mounting hardware
- Available with a single 6P4C telephone connection

STANDARDS & REGULATIONS

- cULus Listed
- Meets ANSI/TIA-1096-A (formerly FCC Part 68)
