

## Patch Cord Color Clips

### APPLICATION

Color clips can be added to Leviton patch cords for an additional level of network identification. The color clips are available in four colors: Blue, Green, Red and Yellow, to provide visual identification of network. In addition, these clips accept Leviton Atlas-X1® icons, providing an additional identification option.

### FEATURES

- Clips to Leviton patch cords providing additional color-coding options
- Available in four colors: Blue, Green, Red and Yellow
- Can be easily snapped into place without having to disconnect patch cord
- Colors match Leviton Atlas-X1 jack colors
- Color Clips accept Atlas-X1 Icons (ICONS-ICx), with options for identifying Voice, Data, or AV

### DESIGN CONSIDERATIONS

- A variety of colors for color-coding or organization
- Accepts Atlas-X1 icons
- May be installed on either side (top or bottom) of plug

### PHYSICAL SPECIFICATIONS

Colors: Blue, Green, Red, Yellow  
Materials: ABS, UL 94V-0

### COUNTRY OF ORIGIN

Mexico

### WARRANTY INFORMATION

For Leviton product warranties, go to [leviton.com/warranty](http://leviton.com/warranty)

### SPECIFICATION

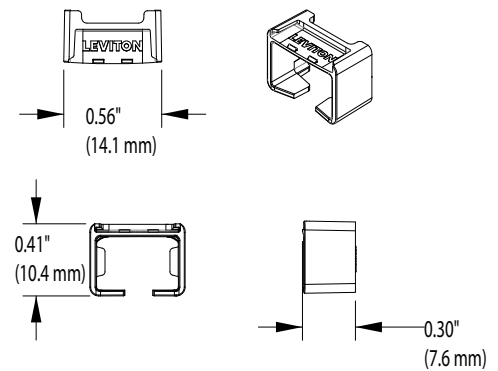

Color clips shall clip securely onto patch cord boot and be available in 4 colors: Blue, Green, Red and Yellow. Color clips shall accept icons to provide additional visual identification of networks.
