

# Whole Home Charging Solutions

**LEVITON**®

## A Charger for Every Space

Engineered and tested for compatibility with today's latest devices, Leviton USB In-Wall Chargers deliver fast, efficient charging for phones, tablets, laptops, and more. Backed by the trusted quality of Leviton, our USB outlets\* are now proudly manufactured in North America, bringing reliable power closer to home.

From kitchens and bedrooms to home offices and bathrooms—and even outdoor living spaces—our in-wall chargers provide convenient charging solutions for every area inside and outside your home.

\*Excluding GFCI devices

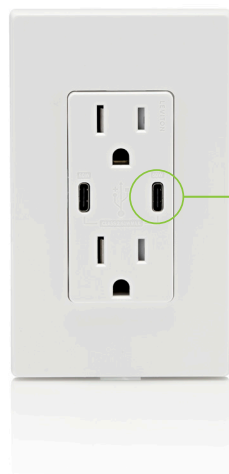

Fast Charging

# POWERFUL

Enjoy hours of use with just minutes of charging. Leviton's Power Delivery-enabled in-wall chargers are built for performance - delivering the higher power needed for demanding devices like laptops, tablets, and smartphones. With advanced Power Delivery technology, you can charge your devices up to 2X faster.

Protection

## SAFETY

For nearly 120 years, Leviton has been at the forefront of developing electrical products with safety in mind, and our USB In-Wall Chargers continue this tradition.

- Our SmartlockPro® GFCI Combination USB offers the trusted safety of Leviton GFCI protection with the advantage of powerful USB charging
- Our weather-resistant USB provides easy outdoor access to charging your devices while offering enhanced protection against the elements
  - Install on a GFCI circuit and ensure the use of a weatherproof outdoor cover.
- Overcurrent protection on USB ports helps protect electronics from receiving too much power, which can damage devices
- Internal regulator on USB ports prevents electronics from overheating
- Outlets are tamper-resistant to help prevent foreign objects from being inserted
